

De Koekoek Potcultures

Welcome to Nursery De Koekoek Potcultures.

Nursery De Koekoek Potcultures BV is a company active in the cultivation of Conifers. We are specialised in growing a wide range of Conifers C1, C2, C3 and Crafted Conifers. By culturing on a professional manner we are reaching a high quality in our products. We are a certified MPS-A and MPS-GAP company.

Our aim is to deliver Conifers of excellent quality to serve the national and international market with a high visual quality product. Several times a year the products are pruned so that they get a heavy and bushy quality.

Quality is our top priority and a visit to our company is highly appreciated. Are you interested in our assortment and curious about the possibility? Please let us know so that we can make an offer that fits your needs.

We have introduced a number of new varieties in the assortment. For more information, you can visit www.dekoekoekpotcultures.nl.
